

Projects and works notice

Upcoming works:

Tomaree Road, Shoal Bay – Road Rehabilitation
(From Verona Road to Messines Street)

Commencing from:

Mid February 2024

Council is starting road rehabilitation of Tomaree Road Shoal Bay from Verona Road to Messines Street. The upgrade to Tomaree Road is funded by the \$10M NSW state election commitment to improve roads around Port Stephens.

The works include:

- Kerb and gutter replacement and minor driveway adjustments to suit new kerb and gutter as required.
- Road pavement reconstruction.
- Minor drainage repairs.

Kerb ramps will be constructed as part of the project for a future footpath on the western side of Tomaree Road. Footpath will not be constructed as part of this project.

During construction, Tomaree Road will be closed with detours in place. Access will be maintained for residents within the work zone and essential services such as emergency services, mail and parcel delivery and waste collection. During construction, vehicular access to properties in the work zone will be restricted for a period of time to allow the pavement and kerb replacement. Our construction crew will notify affect residents when access will be restricted.

The intersections of Verona Road and Tomaree Road and Messines and Tomaree Road will need to be closed to allow works to extend into these intersections towards the end of the project (refer to the map on page over).

PORT STEPHENS
COUNCIL

Further correspondence regarding traffic arrangements will be distributed closer to that stage of works.

Buses will be detoured around the work site via Fingal St, Rigney St and Messines St. The bus stops on Tomaree Rd in the work zone will be closed during construction.

For more information scan the QR code below to view the Projects and Works page on Council's website. We appreciate your patience and understanding during these works.

If you have any questions, please contact our Customer Experience team on 4988 0255.
